Re: United States v. Pavels Berncs, et al
16 CR 692(JMF)

Dear Judge Furman:

As the court is aware I had previously been appointed to represent the defendant Pavels Berncs in the above captioned matter. Mr. Berncs, who was extradited from Finland, is a citizen of Latvia and is Russian speaking.

As the Court might recall Mr. Berncs provided a detailed statement while in custody in Finland. The statement was made in an unusual manner in that two interpreters were utilized translating from English into Finnish and from Finnish into Russian. The answers were then translated back from Russian into English in the same manner.

Counsel submitted a fully translated transcript of the interview as part of the sentencing memorandum for purposes of demonstrating Mr. Berncs' initial cooperation in the investigation and extraordinary acceptance of responsibility. The transcript was indeed considered by the Court in imposing sentence.

Please accept this correspondence as a request for the Court to authorize funds pursuant to the CJA Act for the prior translation and transcription of: (1) the Plea Agreement and (2) the transcript of Mr. Berncs statement in Finland.

I annex the Invoice for each, which I have reviewed for accuracy and the amount allocated pursuant to the CJA Act. Accordingly, I respectfully request the Court endorse this letter facilitating the payment of Eastlink Translations for the instant services.

Respectfully submitted,

Alan Nelson, Esq.
